What Angels Wish They Knew: The Basics Of True Christianity

Synopsis

Fifty years ago, John Stott's Basic Christianity outlined the fundamentals of Christianity. And while the tenets of the faith have stayed the same, the audience has not. No longer does the general population believe in absolute truth. No longer is society biblically literate. For this critical time in history, Alistair Begg offers *What Angels Wish They Knew*. In this engaging, eloquent volume, Begg presents the truths of the Word of God, describing God's character, man's sinful state, God's gift of salvation to those who would receive it, and man's necessary response to God's gift. A book to read, share, and give away, *What Angels Wish They Knew* is a timely defense of our Christian faith at the close of the 20th century. It's perfect for those who want to fully understand and defend their beliefs, or for any seeking non-believer who wants to explore Christianity for the first time.

Customer Reviews

ALISTAIR BEGG (Trent University; London School of Theology; Westminster Seminary) was born in Scotland and spent the first 30 years of life in the United Kingdom. Since September of 1983, he has been the senior pastor at Parkside Church in suburban Cleveland, Ohio. He is the daily speaker on the national radio program Truth For Life which stems from his weekly Bible teaching at Parkside, and is the author of *Made For His Pleasure*, *Lasting Love*, and *What Angels Wish They Knew*. He and his wife, Susan, have three grown children.

A likable and engaging pastor pulls his listeners aside and confidently presses his ideas into their

hearts. Chumminess with God, he says, leaves out an important article of faith--that we will be judged on whether we follow God's laws, in particular The Ten Commandments. We only have one life, here and now, in which to prove our allegiance and devotion to Jesus, so it's important not to be misled by New Age angels who don't understand the vastness of His love. Coming from the school that believes God's power is an infallible and fearsome aspect of Christianity, Begg says we should get in step with this power and stop looking for an easy way out of our sinfulness. Basic description of what Christians believe and why they believe it. It is good for all of us to be exposed to the basics.

What a blessing it is to read or listen to this wonderful Christian man. I am Always blessed by his knowledge and ability to share the gospel.

Another well written book by Alister Begg. I find once I finish reading one of his books I immediately start shopping for for the next. A great way to build a library :-)

Great presentation of basic Christianity.

A wonderful book written in the easy style of Allistair Begg, deep, thoughtful, and delightfully clever prose. It is a resource that truly fulfills the subtitle of "The Basics of True Christianity. It warms your heart, especially if you have been fortunate enough to have heard Rev. Begg speak in person.

What Angels Wish They Knew has come to me in a really difficult time of doubt. I am being renewed in my faith as I read and contemplate what Alistair writes. I have been drawn back to God's word. So all in all its really been good for me.

Pastor Begg, a phenomenal teacher and speaker, presents the gospel in a straightforward manner. This is a good overview of basic Christian beliefs and is a quick read. This book is in the C.S. Lewis tradition in terms of style and theology.

Wonderful approach to the Gospel and the basics of Christianity. Inspired!
