Customer Reviews

Susan Hagen Nipp received her Bachelor of Arts Degree in music and a minor in education from Whitworth College, in Spokane, Washington. She has taught high school English, and music on the elementary school level. She lives in Coeur D'Alene, Idaho, with her husband Charlie. They have two children. Pamela Conn Beall received her Bachelor of Arts Degree in music and a minor in education from Oregon State University. After college, she became an elementary school music teacher in the Portland area. she currently resides in Lake Oswego, Oregon, with her husband Ron. They have four children.

Are 26-year-old attorney daughter can still sing some of the songs. Our grandson, age 4, loved it.

Our kids 8, 5,3 love this! a great way to have some fun learning Dino facts. They actually asked for a LONGER quiet time today to listen to the whole CD

My son grew up with these songs and now my students have fallen in love with them too! Dynamic, entertaining, educational & sweetly concise!

I like the "Wee Sing" series of books. Some of the songs are wonderful and the performance on the CD is really well done.

My son had this as a toddler twenty five years ago. My husband, both my children and I can still remember the words to "Big and Powerful". When our best friends grandson fell in love with dinosaurs and Didn't have this cd. I knew exactly what to buy for his birthday. I bought two copies so my "kids" could have one also. We loved this music.

Love it! A classic bought for the next generation to enjoy.

Loved it when I was young, so I got a copy for my god-daughter, she loves it! Great songs for a child!

Had this for my son. Now my grandson gets to enjoy them with the same pleasure.
