The Dragon Orb (The Alaris Chronicles Book 1)

Synopsis

The fate of a kingdom rests on the shoulders of three young wizards who couldn't be more different. Bakari is a brilliant scholar wizard who's more at home in a library than a battlefield. Alli is a beautiful young battle wizard whose grace in battle is both enchanting and deadly. Roland is a counselor wizard with a seemingly limitless depth of untapped power -- and the ego to match it. As the magical barrier protecting the kingdom of Alaris from dangerous outsiders begins to fail, and a fomenting rebellion threatens to divide the country in a civil war, the three wizards are thrust into the middle of a power struggle. When the barrier comes down, the truth comes out. Was everything they were taught about their kingdom based on a lie? Will they all choose to fight on the same side, or end up enemies in the battle over who should rule Alaris?

Customer Reviews

I very much enjoyed this book. The story was very entertaining and original. My only complaint is some of the dialogue felt forced at times, not very often mind you, just occasionally but I can't tell

you why at certain times it stood out. Excellent characters that seem to grow on you quickly and really has me looking forward to the future books in this series. I firmly believe that this would have the potential to be more than three books if handled the right way. I received an advanced copy of this book in exchange for an honest review. Honestly I had purchased the book when I saw the first email describing the book with its introductory 99 cent price tag. It sounded interesting enough for me to make the investment and it was well worth it.

Gave this book, volume one of the series, to my grandson on his 11th birthday, and he really enjoyed it -- rated it 5 stars.

Grandchild loved it

Review: THE DRAGON ORB by Mike Shelton (The Alaris Chronicles Book 1) THE DRAGON ORB is the first in a new series which I categorize as YA fantasy (based on the ages and maturity levels of the three protagonists). Alli, Roland, and Bakari are youthful wizards in Alaris, a land ruled by judges. Alli is a battle wizard, Roland a counselor wizard, and Bakari a scholar-wizard. When a rebellion commences, and the barrier falls, all three must demonstrate talent, courage, and resolution. I reviewed a digital copy provided by the author for review and book blog purpose. This review is voluntary, and comprises my honest opinion of this book.

Very good, nice twist.

Was not expecting a book about dragon riders or elves, it was a good surprise. If you like magic and good and evil this book is for you.

Somewhat futuristic but enjoyable read

Fun books with lots of twists and turns. Good level for teens
