Customer Reviews

I purchased two of these to use for a team exercise it arrived on time and it seems simple and organized planner.

Don't be fooled. This is not a book about real estate. It has a few pages in the beginning that talk about filling a planner. The rest of it is just plain planner pages.

Waste of money. Sold it for a couple of dollars after I opened it and realized it wasn't helpful.

Total waste of money!!!!!! About 18 pages of actual text and the rest of the book is the same Daily and Weekly form over and over again!

Wow, this is one product I feel I got ripped off with. About 20 pages of text and the entire rest of the book are pages for journaling your efforts.

Save your money. Total waste. I wanted to rate it ZERO but I couldn't. Biggest waste of \$16 ever!!

Got this for my studies and so nice to have

There is nothing in this book you cant find on the internet for free. Skip it.
