Customer Reviews

Very nice 12 months calendar by Nene Thomas. Artwork looks nice, the print quality is good, color is about right for a calendar. Really great deal now, bought a few (one for cutting it up and framing them on wall the others for people who might like Fantasy theme). You can click on the images has shown and see all 12 images. Calendar is 12inches x 12inches, came sealed with cardboard backing so no fold creases or bents/dents. If you have Prime, and yours arrived damaged, send it back for a new one.

It's exactly what it claims to be. Nice size for a wall calender. It did arrive in less than half the time it was advertised so that was nice.

So happy Nene decided to start doing calendars again. This is another beautiful collection of her artwork. Some are reprints from previous calendars but the new ones are great.

Love this calendar! It looks even better in person than on the website. I buy calendars with the

intention of turning some pictures into posters later. I may have to keep the whole calendar! There is also space in the boxes to write quick notes.

Great calendar. Amazing art. Will buy from this artist again. If you love sci-fi, GOT, dragons...etc... You will love this calendar.

Worth it just to get some good size pictures by my absolute favorite artist. She is incredible.

Bought this calendar for the art, she is one of my favorite artists. The order came quickly and just as advertised.

This calendar is gorgeous! Nene Thomas' art is wonderful. I do wish it featured more of her art though.
