Customer Reviews

More than 120 million readers have been inspired by the words of Max Lucado. He lives with his wife, Denalyn, and their mischievous mutt, Andy, in San Antonio, Texas, where he serves the people of Oak Hills Church.

Lucado is an excellent guide in revealing Gods word in a very insightful way. great product.

not all the way through but it is a very good book so far.

This is a great book for a personal study or a one on one meeting. The questions don't seem ideal for a group, however, as they either tend to repeat or don't allow for deep enough conversation. I like that the book examines two translations, but wish it would give a bit more historical background.

Exactly in line with a Max Lucado bible study.

Excellent study book

another great Lucado study book

I like Max Lucado as an author but won't purchase any more of his study series. There just isn't much meat to it. The John MacArthur series is definitely more substantial.
